

## Warkworth War Memorial Hall – Suggestions for parking.

© OpenStreetMap contributors - <https://www.openstreetmap.org/copyright>

Above map of Warkworth has Memorial Hall marked in blue and parking areas marked in red. If transporting heavy gear you'll probably find space on the pavement on Castle Street, immediately outside the hall. There is parking on the other side of Castle Street, but this is likely to be full and has a nasty curb for damaging your car door.

The main parking areas are Dial Place and The Stanners, at top end of map. The Stanners is accessed by going down Dial Place to the left of the Church and turning left before the river. There's a small amount of parking space on the river side of the Butts and there's usually plenty of road side parking along the Butts.

The Memorial Hall is accessed from the doorway on Castle Street.
